Table of Contents

The 1981 Bulldog Staff would like to make special recognition of Cindy Woodall. Because of illness Cindy did not get to help with the yearbook. We missed you Cindy.

Dedication

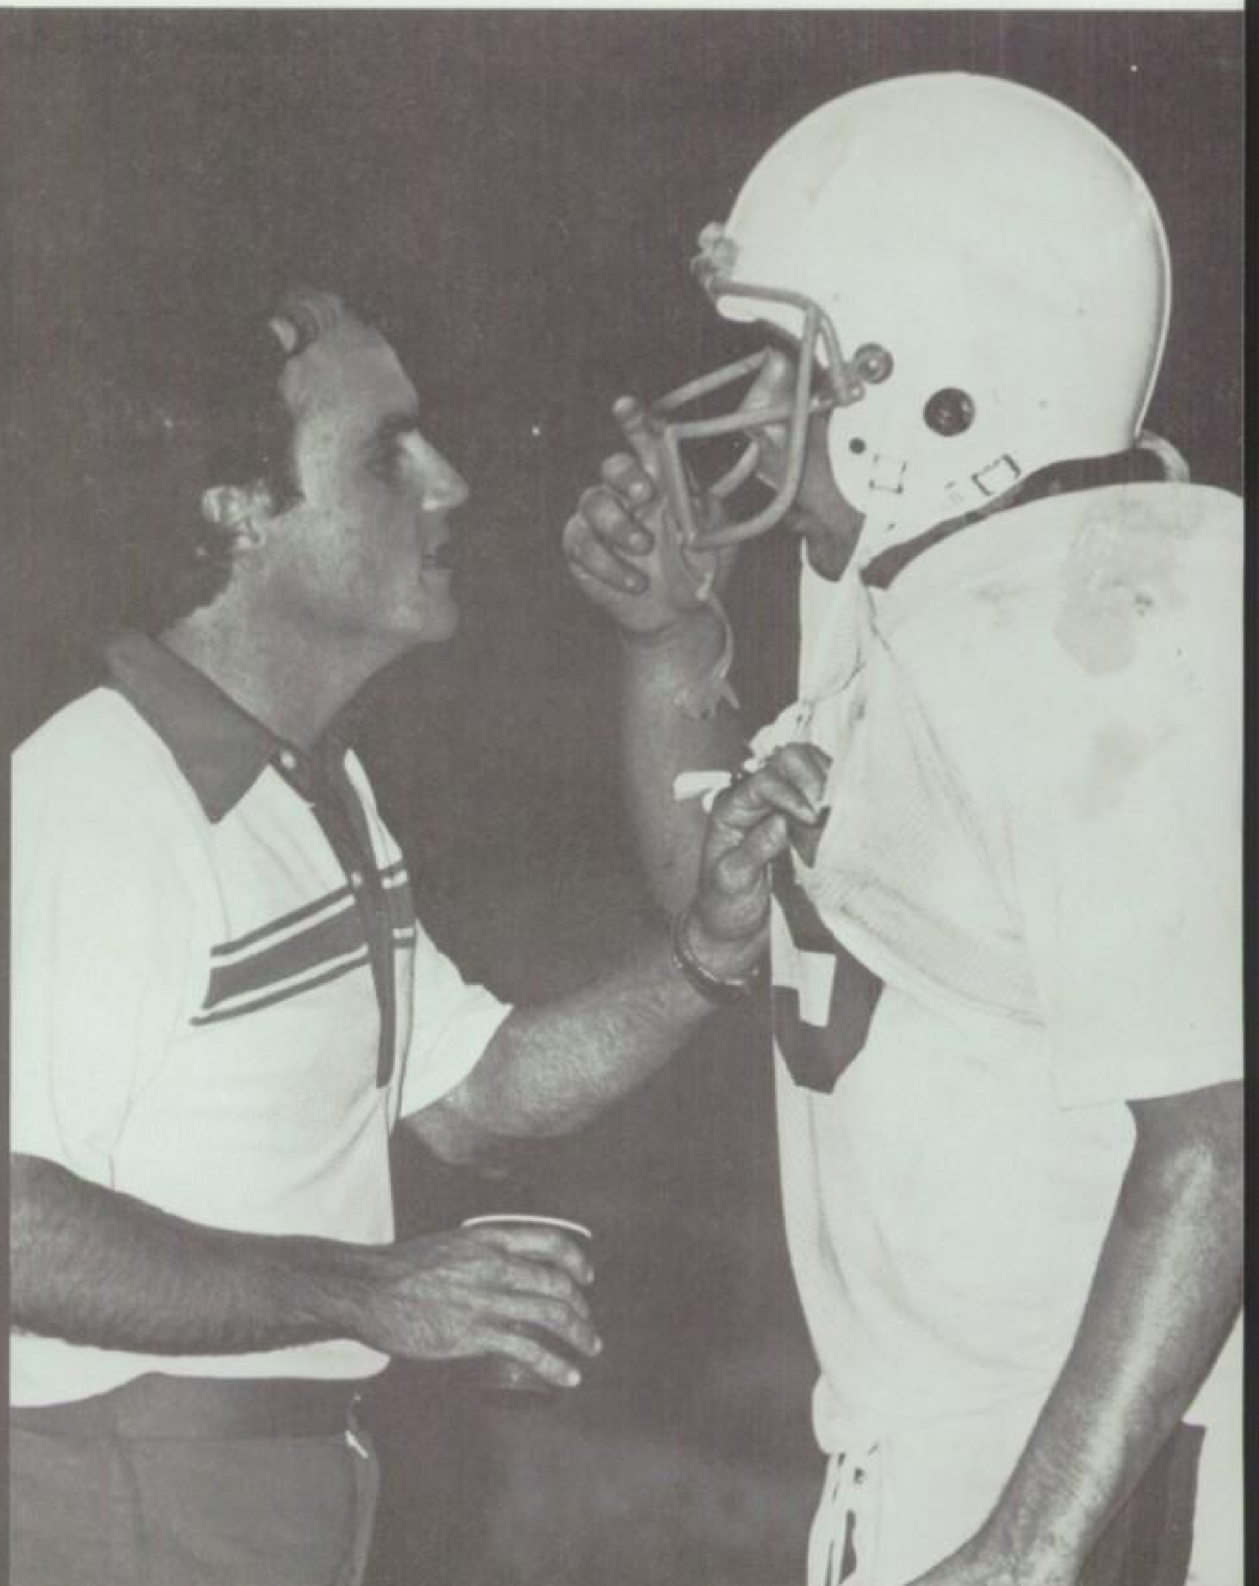

The 1981 Bulldog is dedicated to Miss Bobbie Riggins. Miss Riggins has given 39 years to the teaching profession; the last 18 here at Stratford. Her creative mind has decorated dozens of banquets, come up with loads of themes and ideas for programs, carnivals and assemblies. Her retirement will leave an empty place in our lives. We wish her much happiness in the future years.

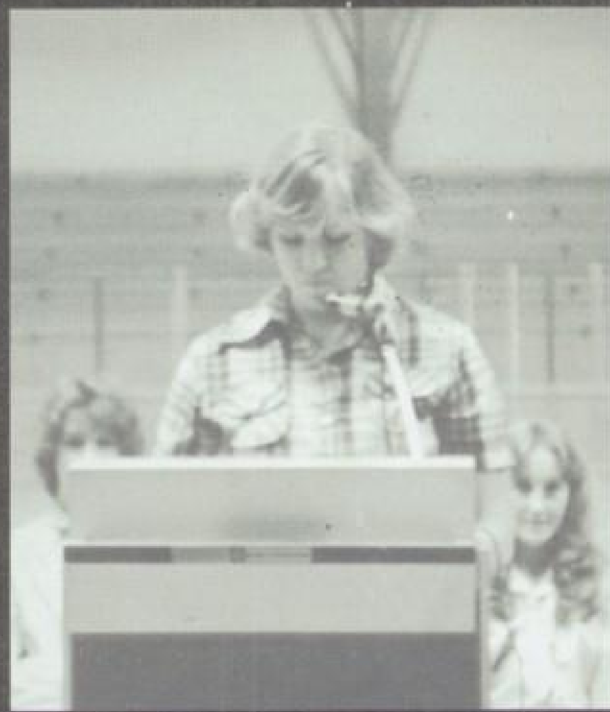

Moments we can't let slip away . . .

35

Life's little games
we play . . .

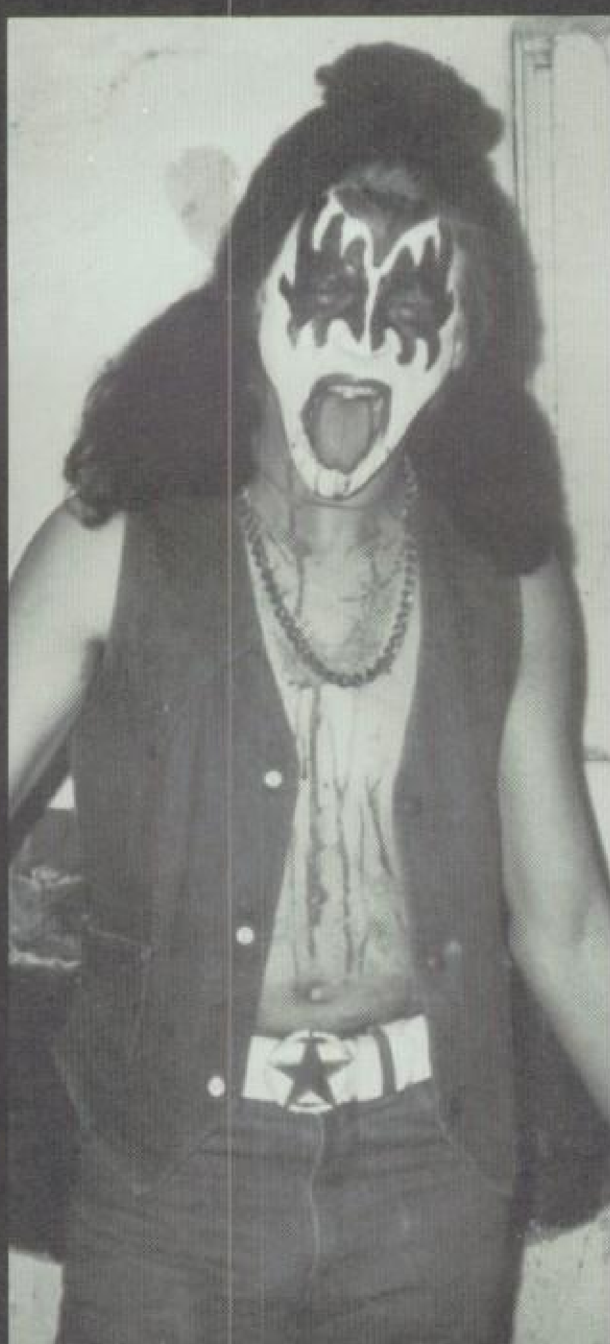

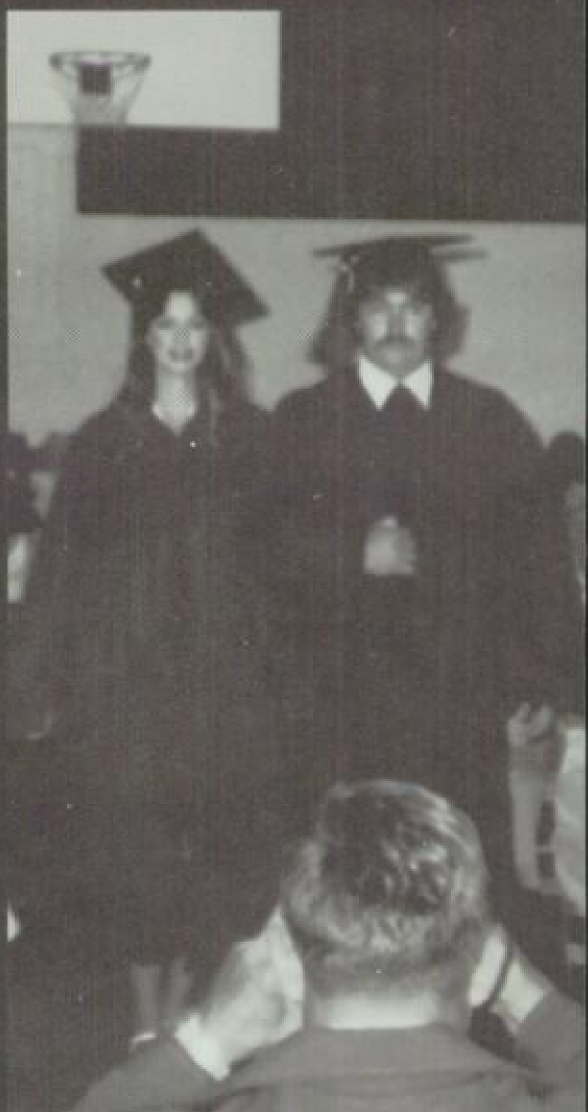

For moments like these are rare . . .

31

The following survey was conducted by the 1980-81 Bulldog Staff. The results indicate what Stratford students were doing and thinking during the past year.

How's your love life?

1. In high school it is better to

   A. Date around
   B. Have a steady
   C. Not date at all

   The majority of students indicated that it is better to date around than go steady.

2. On a date I would rather . . .

   A. Go to a dance
   B. Watch TV at home
   C. Go to a movie
   D. Go parking
   E. Party

   "Go parking" was the overall favorite here.

The five favorite movies of 1980 were:

1. Cheech and Chong
2. Smokey and the Bandit
3. Blue Lagoon
4. Prom Night
5. Friday the 13th

Stratford boys liked the following female stars:

1. Bo Derek
2. Cheryl Ladd
3. Cheryl Tiegs
4. Loni Anderson
5. Catherine Bach

The girls voted for these male superstars:

1. Burt Reynolds
2. Eric Estrada
3. John Schneider
4. Robert Redford
5. Scott Baio

The presidential election among the Stratford students indicated that Carter would be re-elected (can't win all the time.)

Poor J. R. Ewing was shot by "other" according to the choices made by SHS students. The list included: Kristin, Sue Ellen, Pamela, Allen Beam, and Bobby.

Five favorite rock groups of 1980 were:

1. Eagles
2. Queen
3. Bob Seger
4. Charlie Daniels Band
5. Kiss

SHS students told the surveyors that they spend most of their time playing football, basketball, or baseball and what left they spend reading, or flirting.

Has Stratford started a new trend in cheerleaders?

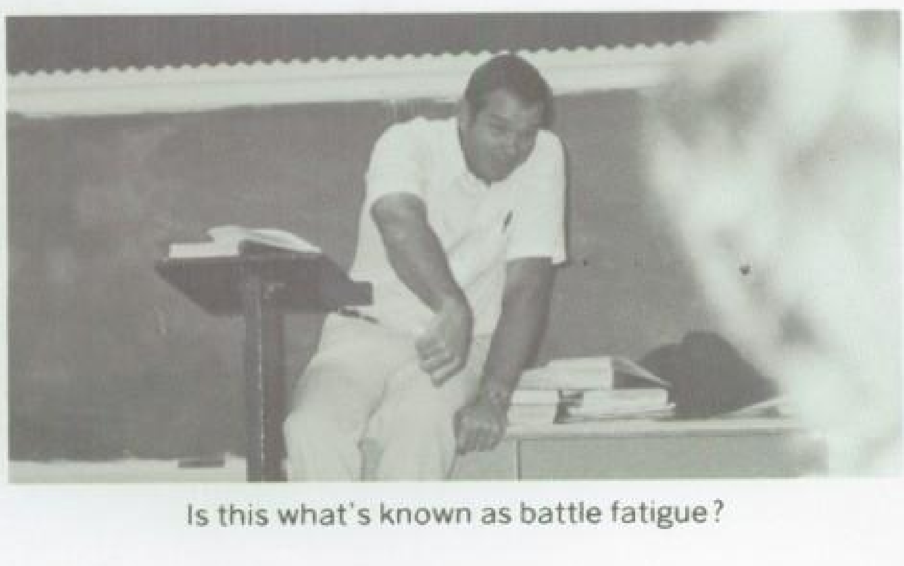

Maybe he knows something we don't.

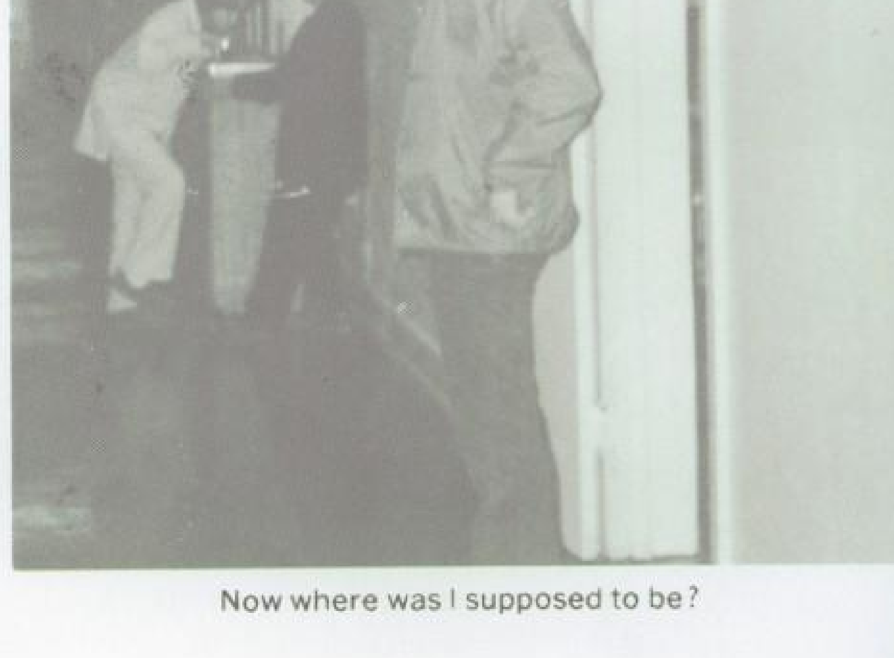

Move over Bonnie Parker here comes Dolphyne.

Is the kindergarten class getting to Mrs. Jones?

Is this what's known as battle fatigue?

Now where was I supposed to be?

SENIORS

MOST POPULAR
Gloria Bryant and Kin Stone. Are they really this popular?

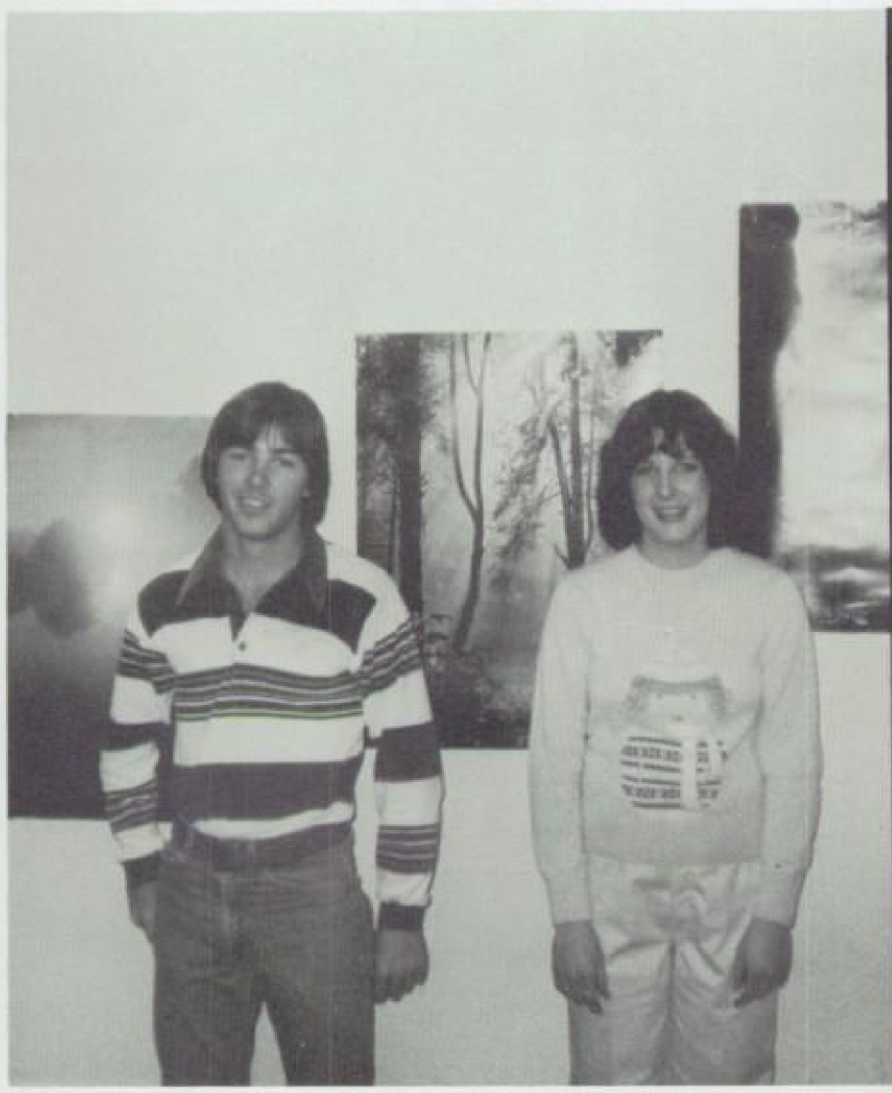

BEAUTY AND THE BEAST
Tammy Watson and Kin Stone. No need to worry, it looks like Tammy has everything under control.

MOST ABSENT MINDED
Kim Daniel and Mike Davis. Where are they?

MOST LIKELY TO SUCCEED . . .
When Sheila Winn and Kenny Grider were voted most likely to succeed, is this what they really meant??

BEST DRESSED
Larry Hinkle and Vickie Danley show their style.

MOST ATHLETIC
Gloria Bryant and William. I think they're a bit confused.

BIGGEST FLIRT
Kim Daniel and David Freeman. Some people don't ever give up.

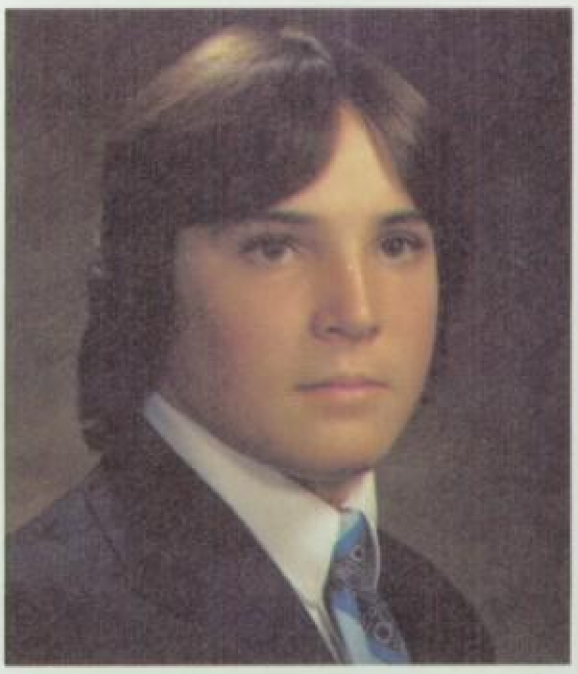

WITTIEST
Cindy Woodall and Shannon Watts. So this is the source of Shannon's and Cindy's wit.
